Dear Professor Sarangan:

Congratulations on receiving an award from Ohio's Wright Capital Project Funds.

This award acknowledges the innovative research and development that is happening at the University of Dayton. Your work not only benefits the local economy, but will bring positive change to our military and industrial products.

Ohio's Third Congressional District has a history of producing strong ideas and products, and the University of Dayton is certainly a fine example of that rich history.

Best wishes as you continue your important work, and please stay in touch with my office staff to keep us up to date on your progress.

Sincerely,

A handwritten signature in blue ink that reads "Mike".
